

Vendor, Entertainer and Special Guest Parking

Parking spaces (marked in red) directly adjacent to the town green are reserved for farmers' market *customers only*.

If you park in either of these two areas, you will be asked to move your vehicle immediately.

Once you have unloaded your vehicle, please move it to one of the lots designated for market participants:

Lot 1 is located behind the Monroe Congregational Church.

Lot 2 is located on the far side of the Masonic Lodge.
